RARE COINS, RARE PEOPLE

1st Edition Biography of Leon and Ruhama Hendrickson and SilverTowne LP

Silver Towne Coin Shop officially began in 1949 out of a cigar case in the Rainbow Restaurant in downtown Winchester, which Leon Hendrickson, along with Ruhama's parents, owned at the time. It soon outgrew its humble beginnings and was moved to the Hendrickson's home in 1959. It took over the entire basement and was still being operated as a part-time business!!

In 1967 Leon decided the coin business was so demanding of his time and energy that it would be necessary to give up his other business ventures, which included the Rainbow Restaurant, a roller skating rink, a rural mail route and farming. He (Leon) wanted to devote himself full time to the dream of building and managing one of the largest and most prestigious coin companies in the country. Most people in the numismatic world will agree that he has succeeded beyond his wildest dreams.
